

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."

—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

I Owe My Life to PE-RU-NA

Mr. McKinley's letter brings cheer to all who may be sufferers as he was. Read it:

"I can honestly say that I owe my life to Peru. After some of the best doctors in the country gave me up and told me I could not live another month, Peru saved me. Travelling from town to town, throughout the country and having to go into all kinds of badly heated stores and buildings, sometimes standing up for hours at a time while playing my trade as auctioneer, it is only natural that I had colds frequently, so when this would occur I paid little attention to it, until last December when I contracted a severe case, which, through neglect on my part settled on my lungs. When almost too late, I began doctoring, but without avail, until I heard of Peru. It cured me, so I cannot praise it too highly."
